Ridiculous!

When in a moment of sad reflection we consider how cheaply we've been selling goods the past month, it cer-tainly does seem funny, if it were not so ridiculous. But when the "beauti-ful" turns into slush to yex and mortify the children of men, it takes either a boat or a bargain to bring the peo-ple out. We're out of boats, but

Here's the Bargains!

Don't you know we make the lowest prices of any house in the city? Quote some of our prices to our competitors and note their answers. Oh! You don't believe that, do you? They don't keep anything but shoddy! That's easy; anybody can sell that class of goods at their prices. It must be moth eaten!

who knows a pargain when it's within a thousand miles, and he gets it, too Our large outlet requires large pur-chases, and the bottom is found when we tony as well as when we sell. We are satisfied with a reasonable profit. Don't gra-p for the Earth and complain if we don't get it. Don't expect
